Alexandria, VA 22131-1450

Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, it is respectfully requested that this Supplemental Information Disclosure Statement be entered and the documents listed on attached Form PTO-1449 be considered by the Examiner and made of record in the present case. Copies of the listed documents required by 37 C.F.R. § 1.98(a)(2) are enclosed for the convenience of the Examiner.

In accordance with 37 C.F.R. §§ 1.97(g),(h), this Supplemental Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).

A Final Official Action has been received in the present application. However, this Supplemental Information Disclosure Statement is being submitted in an abundance of caution and should be enterable under 37 C.F.R. § 1.97(d) in light of the following information. In the alternative, for completeness and to most fully comply with the duty of disclosure, the enclosed document should be placed in the file in accordance with 37 C.F.R. § 1.97(i).

In accordance with 37 C.F.R. § 1.97(e)(2), it is hereby certified that the documents listed in the accompanying Form PTO-1449 were not cited in a communication from a foreign patent office in a counterpart foreign application. The listed PCT and U.S. patent applications by Brams were identified in searches of patent databases conducted by the licensee and the undersigned representative on about April 01, 2004. The other listed documents were cited on the international search report for the Brams PCT application, and were not of record in the present application. This Supplemental Information Disclosure Statement is submitted within three months of the April 01, 2004 searches and the listed documents could not have been submitted before conducting the searches and reviewing the Brams PCT application search report.

No fees should be due in connection with the filing of this Supplemental Information Disclosure Statement. However, should any fees under 37 C.F.R. §§ 1.97(d) and 1.17(p) be due, the Examiner should contact the undersigned representative to discuss deduction from Williams, Morgan & Amerson Deposit Account No. 50-0786/3999.002383.

Respectfully submitted,
